RURAL MATERNAL CARE ACCESS INITIATIVE IN THE REPUBLIC OF THE GAMBIA

I want to first of all thank you for taking time to come and present your initiative: Rural Maternal Care Access in The Gambia, to me and my staff here at the Embassy. The package presented is very much in line with the priority needs of The Gambia Government as stipulated in the national development blueprint.

It is in this regard that the Ministry of Justice of The Gambia upon review of your application and project proposal decided to provide you with a certificate of registration (2019/C9144) to operate as a civil society organization in The Gambia.

In view of the above and on behalf of the Embassy of the Republic of The Gambia to the United States of America, I hereby give you full endorsement and formal approval to move forward with your great initiative with immediate effect.

I thank you once again for choosing The Gambia for this important humanitarian programme and I look forward to working with you in the best interest of the country.

Best regards,

Dawda D. Fadera

Ambassador Extraordinary and Plenipotentiary of the Republic of The Gambia to the United States of America
